### PROFESSIONAL EXPERIENCE

#### Video Editor | Chateau Pig | Los Angeles, CA | 2021 to Present

- Created a sizzle reel to pitch a new reality show to major networks. Optimized schedule to complete project one week ahead of one-month timeline.
- Oversaw main edit, graphics, and titles. Sourced additional B-roll footage to bring reel to the five-minute target.

#### Video Editor | Way Black When | Los Angeles, CA | 2020

- Transformed 1TB of footage into a **sizzle reel** for a new comedy series.
- Solely coordinated the post-production process, including editing, graphics, and color grading for a 100% green screen show.
- Successfully captured the director's vision, with project currently under negotiation with Snapchat.

#### Assistant Video Editor | The Try Guys | Los Angeles, CA | 2018

- Edited multi-cam footage for *The Try Guys* – an award-winning online comedy series.
- Garnered over **9.5M views on one episode** of the *Impaired Driving* series, with over 34.7M additional views across all episodes.

#### Video Editor | Gray Studios Acting Camp | Los Angeles, CA | 2017

- Edited six short films for film camp participants, balancing workflow to ensure on-time completion of project objectives.

#### Video Editor | Caged | Los Angeles, CA | 2017

- Coordinated creative team of four to edit a feature-length film.
- Color graded footage, bringing depth and impact to the visual narrative.

#### Video Editor | Curse of the Siren | Los Angeles, CA | 2016

- Collaborated with creative team on post-production of a horror feature film, cutting **trailer** and editing the movie's final cut.

#### Assistant Video Editor | Uncle Nick | Burbank, CA | 2014

- Contributed to editing of a feature-length film, including color correction, audio mixing, and end credit creation.
- Conducted quality assurance to ensure readiness for film festival screenings.

#### Assistant Video Editor | Digital Kitchen | Culver City, CA | 2012 to 2014

- Edited audio tracks for AT&T U-Verse advertisements.
- Supported team in post-production operations, including compressing and delivering cuts, transcoding footage, and preparing tapes for broadcast.

#### Video Editor | Viv Digital Magazine | Thousand Oaks, CA | 2011

- Compiled and edited footage for a digital magazine's introduction video.
